\* Applicant has a maximum debt obligation that the loan amount cannot exceed.

\*\* Ineligible project costs deducted off total project costs.

\*\*\*Projects identified as Equivalency Projects will be designated as a Federal Funding Accountability and Transparency Act project. Equivalency Projects will be subject to all primary federal SRF requirements, including those federal requirements known as “cross-cutting” requirements. If projects marked as Equivalency Projects are not funded as intended then another project will be deemed as an Equivalency Project.

Notes:

Final eligible costs will be determined based on submittals as the project progresses toward loan closing.

Financing schedule shown is for planning purposes only. Final scheduling will be determined as documents are submitted and approvals obtained.

Carryover projects from the FFY 2023 list must reapply by March 1, 2024 to be considered for the FFY 2025 list.

Priority points for RIG projects include two numbers separated by a hyphen. The first number is the RIG category, and the second number is the priority point score calculated through the RIG procedure available at
